Want to work in Orange County?

READY TO WORK?

Chrysalis can help!

MORE INFO

All program participants must:

- be clean and sober
- be motivated to work, with a positive attitude
- be willing and able to perform physically demanding assignments
- be committed to completing all program requirements, including attending classes and workshops
- provide proof of COVID-19 vaccination

Interested?

Attend an orientation!

WHAT IS ROADS?

Roads is a transitional job and job placement program made possible through partnerships with Caltrans and the Butte County Office of Education.

Work crews will be responsible for freeway litter abatement and brush trimming/removal.

Participants will receive job-readiness training, resume preparation, practice interviews, case management services; job leads and placement, and retention support from Chrysalis.
