Volunteer with Chrysalis

It is important not only to help clients

who come into Chrysalis, but also do

whatever we can to build a more

equitable society.

Put your experience to work!

As a Chrysalis volunteer, you will become an integral part of the team, empowering job-seeking clients with necessary tools and support as they search for employment. Weekly, biweekly, and monthly schedules are available for the following:

Class Facilitation

Guide clients through an interactive in person class on topics including how to start a job search and how to deal with conflict in the workplace.

Resume Writing & Interview Practice

Meet with clients one-on-one to translate their skills and work history from notes or memories into a focused and professional resume, as well as helping them prepare for interviews.

Online Job Application Assistance

Meet with clients one-on-one to motivate and help them navigate online job applications.

Getting Started

Via our online application, you will be able to share your availability and information about your skills and interests to maximize the impact you will make as a volunteer.

An information session, training, and support from staff and other volunteers are additional benefits and assistance that will be available to you as an important member of our Chrysalis community.
