REBUILDING THEIR LIVES WITH COURAGE,
RESILIENCE, AND A JOB.

DO YOU BELIEVE IN SECOND CHANCES?

TAKE THE OWN THE NEXT CHAPTER PLEDGE

Everyone deserves the chance to rewrite their story.

For someone **facing homelessness, poverty, or the impact of incarceration**, the future can feel like it's already been written—and not in their favor.

But your signature can help change that.

You can provide the chance to shape a new future—and the support to make it real. With compassion, practical tools, and a belief in what's possible.

This July, every signature on the Own the Next Chapter pledge unlocks a **\$5 donation from the our generous donor**.

That's one name = one step closer to a fresh start.

Sign by July 31 to help us reach 2,500 voices strong.
