STACKING THE DECK FOR SUCCESS

WHAT YOUR SPONSORSHIP SUPPORTS

CHANGING LIVES THROUGH JOBS

Chrysalis serves people navigating barriers to the workforce by offering a job-readiness program, individualized supportive services, and paid transitional employment. We empower our clients on their pathway to stability, security, and fulfillment in their work and lives.

“

Chrysalis makes people feel at home. They don't say, 'We're going to find a job for you.' They say, 'We're going to help you find a job. We're going to work together.'

—Noëlle, client

TRANSITIONAL JOBS ARE TRANSFORMATIVE

Each week more than 600 Chrysalis clients are earning a paycheck and gaining skills through our employment social enterprise. A transitional job can be the stepping stone someone needs before finding success and stability. For some program participants, it is also the opportunity they need to end cycles of recidivism or rebuild their lives while being part of a community that believes in their value.

“

It's hard to get a job, or for anybody to give you a chance. Chrysalis gave me a chance.

—Ernest, client

CONFIDENCE & SKILLS FOR A FRESH START

Unemployment is the most cited reason people report experiencing homelessness for the first time. Chrysalis is a place where people can rebuild from the devastation of losing income and the safety of home.

Job readiness training and one-on-one case management helps clients build skills, identify long-term career plans, and open pathways to earning family-sustaining wages. Chrysalis clients also have access to a host of other vital resources along their journey:

- *Resume building*
- *Practice interviews*
- *Training scholarships*
- *Computer access*
- *Professional clothing*
- *Hygiene items*
- *Shelf-stable lunches*
- *Emergency funds*
